Our power washing pros use a soft washing technique to clean houses and commercial buildings in the Daphne, AL area. The non-pressure cleaning technique we use at SoftWasherz won't damage your siding, roof, wood, windows, or other surfaces.

Soft washing not only cleans up grime and removes stains, it sanitizes and kills the microbes that trigger algae, moss, mildew, and mold problems to begin with. Plus, our professional power washing service offers you a remedy that lasts 4 to 6 times longer than conventional power cleaning and pressure washing.

For a superior clean that's also safe, call our Daphne, AL **power washing company** today. We would love to offer you a free quote and a professional soft wash demonstration at your home or business.

- Free power washing quote
- Residential & commercial service
- Your satisfaction is our highest priority

Soft Washing Solutions
